## Our Internet Usage Information

### How Do I Use The Wireless Internet

#### Wireless Internet

Most devices will simply require you to connect to our open network. If you have any issues, please read the information below.

Virtually any device that has a wireless network card can be used, whether it be a phone, laptop, tablet, etc. Simply turn on your Wi-Fi and your device will see our wireless network, choose the APLD network, wait for it to connect and you are ready to go!
